

TEAM COMPETITION:

Teams may consist of up to 3 riders. There are no restrictions on what classes the riders may be in. Example: team may consist of three (3) Production B riders or one (1) Junior A rider, one (1) Junior B/C rider and one (1) Pro-Am Production rider. Team rider's class must have at least three (3) entries. If the class does not have at least three (3) entries, points earned will be half or the original designated points. 1st place finish would earn 15 points and a 2nd place finish would earn 13 points. Entry fee for the team competition will be \$200. Teams must be registered before the 2nd event on the schedule for results from all events to be counted. Teams entered after registration of the 2nd event will only have those results tallied from that point forward. Teams may name one permanent alternate for a rider that is injured or unable to compete for the entire season. Alternate may not be a member of a different team. Teams may also name an alternate for one rider for one event in the event a rider misses a race. So teams are allowed one (1) permanent substitution and one (1) temporary substitution. Points are awarded according to the racers overall finish position for selected class. 100% of team entry fees will be paid out at year end banquet. Refer to Payout Schedule "C". Points awarded are as follows:
