

GEARHANGER.COM

- INSTALL THE GEARHANGER™ ON ANY FLAT SURFACE. HERE WE USE A REAR BUNK IN A TOY HAULER TRAILER. THE CUSTOM INSTALLATION KIT MAKES IT EASY.

- WHILE THE BUNK IS IN THE “DOWN” POSITION, USE THE GEARHANGER™ TO HANG YOUR HELMETS, BUNK LADDER, JACKETS, ETC. THIS KEEPS YOUR GEAR ORGANIZED AND AT ARMS REACH.

- RAISE THE BUNK, AND YOUR GEAR IS STORED UP AND OUT OF THE WAY, FREEING UP VALUABLE SPACE FOR OTHER ITEMS. KEEP YOUR GEAR ON THE GEARHANGER™ DURING TRANSPORTATION FOR A SAFE AND SMART SOLUTION.

- THE CUSTOM INSTALLATION KIT ALLOWS YOU TO QUICKLY REMOVE THE GEARHANGER™ WHEN NOT IN USE. PURCHASE A SECOND INSTALLATION KIT, AND USE 1 GEARHANGER IN 2 DIFFERENT LOCATIONS.
