H&M Motorsports - Davi Haagmsa's Race Report: WORCS Rnd #7, AMA Rnds #8/9

Bakersfield, Ca- 7/30/10: H&M/Monster Energy/O'Neal's Davi Haagmsa captured his first ever WORCS Pro-AM Championship this past weekend aboard his MCR/Maxxis/CSR tuned Honda 450r. Haagmsa who came into round 7, 47 points ahead, needed a win to clinch the Championship giving him enough points to "point out" the 2010 season and that's exactly what he did. Davi grabbed the Holeshot Sunday morning and lead every lap at the beautiful Washington based "Straddleline ORV track" which was enough to secure the Championship for Mike Cafro and the MCR Racing team.

"I got the holeshot which is big up here because in Washington, you have a short MX course then it goes single line for the rest of the race pretty much. Getting out front early was important and it was good enough to keep the lead. Keith Johnson ran a good race and kept me honest to the end. My ATV was awesome today and I'm happy to give Mike and the team their first Championship for 2010". Davi Haagmsa

Haagsma who had a stellar year in the WORCS series will make his Pro debut at Round #8 of the World Off-Road Championship series at the famous Glen Helen Raceway, completing a 4 man powerhouse for the MCR team. Haagmsa will join his teammates- defending champ Beau Baron, Team Manager Mike Cafro, and #5 plate holder Josh Row on the starting gate Sunday morning on Sept. 26th. Haagmsa boarded a plane Monday morning in Seattle and headed back east where he will compete at Red Bud this weekend at Round #10 of the AMA ATV Mx series.

Prior to Washington, Davi posted his best moto finish at Unidilla in New York with a 4th in Moto 2 and posting a 9th O/A on the day. Next stop for the H&M Motorsports team, Red Bud this weekend, followed by Loretta Lynn's Ranch for the finals on August 15th.

Shout out: Team Manager Allan McCostlin has done a great job with the new team and the direction with Haagmsa in both AMA & the WORCS series. Week in and week out, both Davi and Allan put in a tremendous amount of effort and with that comes Championships as this past weekend proved.
